Global Resume

MIT Student

522 Commonwealth Ave, Boston, MA 02215 • 333-111-2222 • travelingstudent@mit.edu

EDUCATION

Massachusetts Institute of Technology

20XX-20XX

Cambridge, MA

- BS in Biological Engineering, GPA: 4.9/5
- Sabancı Freshman Scholar, awarded visit to Sabancı University in Istanbul (20XX)
- Foreign study at Universidad Politécnica de Madrid in Biotechnology (Spring 20XX)

Collège Saint-Remacle à Stavelot

20XX-20XX

Stavelot, Belgium

- Achieved Grande Distinction during foreign exchange in French-speaking Belgium

Southern Lehigh High School

20XX-20XX

Center Valley, PA

- Six week foreign exchange in Röhrnbach, Germany (Summer 20XX)

EXPERIENCE

Undergraduate Researcher in Weiss Lab, MIT Synthetic Biology Center

Dec 20XX – Present

Cambridge, MA

- Create platform for biosensor development based on B-cell receptor
- Awarded provisional patent (20XX)
- Presented poster at 20XXBioMAN Summit (Cell & Gene Therapy Manufacturing)
- Advisor for MIT iGEM 20XX team

Intern in Rojas Lab (Instituto de Salud Carlos III)

Mar 20XX - Jun 20XX

Madrid, Spain

- Investigated role of Sur8 in nucleus by verifying binding to potential partners
- Analyzed proteomics & microarray data to examine effects of Spry2 mutations

International Genetically Engineered Machine (iGEM) Participant

Jan 20XX - Nov 20XX

Cambridge, MA

- Developed genetic circuit for Alzheimer's disease detection and treatment
- Shared research through presentation, poster, and website
- Awarded gold medal in synthetic biology competition as part of MIT's team

Undergraduate Researcher in Ploegh Lab (Whitehead Institute)

Sep 20XX - Jan 20XX

Cambridge, MA

- Generated and purified VHH fragments against glycolytic enzymes
- Assayed effects of VHH fragments on enolase & pyruvate decarboxylase function Summer School in Radiobiology (SCK-CEN) Jul 20XX
- Studied cancer pathology, radiation treatment, and space microbiology Mol, Belgium

SKILLS

Laboratory Techniques: Cloning, SDS-PAGE/Western blot, mammalian tissue culture, transient transfection, protein purification

Programming: Familiarity with MATLAB, Python, and Java

Languages: English (native), French (fluent), Spanish (fluent), German (basic), Portuguese (basic)

LEADERSHIP & SERVICE

Stop Our Silence President (20XX-20XX), Co-President (20XX-20XX), Treasurer (20XX-20XX)

- Organize slam poetry events and theatrical productions to promote sexual assault awareness
- Raise over \$1000 yearly for local women's shelter

Freshman Associate Advisor (20XX-20XX, 20XX-20XX)

- Advise first-year students in biology-focused seminar

Women in Science and Engineering (WiSE) Mentor (20XX-20XX)

- Mentored high school girls in monthly sessions on topics in science and engineering

Member of Alpha Chi Omega (20XX-Present)
